

## Public Service Announcement

As of July 2006, the city crews no longer pick up any solid waste that was left outside the roll-out cart. The City of Washington Solid Waste Division will waive this regulation of extra solid waste outside the roll-out carts during Christmas week, December 26-29, 2006. Each resident is asked to help our crews by breaking boxes down and compacting loose solid waste to fit in the roll-out cart. Solid waste outside the roll-out cart will have to be bagged.

Please recycle as much of your solid waste as possible. If the resident has more recycling than space in their bin, we ask that it be placed neatly near the bin(s) or in cardboard boxes; do not place items in plastic bags.

Normal pick-up policies will resume on Tuesday, January 2, 2007.

Thank you for all your assistance. Merry Christmas and Happy New Year!!!!
